HOWARD Restor-A-Finish®

"Restore It - Don't Strip It!"

Restor-A-Finish preserves and restores wood finishes without having to strip, sand, and refinish. It penetrates faded lacquer, shellac, and varnish finishes to bring back the original color and luster. Restoring the depth of grain in wood finishes, it goes much deeper than temporary "scratch cover" products. Restor-A-Finish penetrates and permanently restores most wood finishes without removing any of the existing finish - this is why it is very popular for antiques. Restor-A-Finish maintains the original "patina" of an antique finish, maintaining its character and value as an antique. To protect the newly restored finish Feed-N-Wax is recommended as a follow-up to Restor-A-Finish.

- Restor-A-Finish is a unique finish-penetrating formula that restores wood finishes while blending out minor scratches, blemishes, and abrasions
- With a simple wipe-on, wipe-off process, most finished wood surfaces that seem to need a complete refinishing job can be restored in a few minutes
- Removes white heat rings and water marks, sun fade, oxidation, smoke damage, etc.

Feed-N-Wax®

Wood Polish & Conditioner

- Enhances the natural beauty and depth of grain in finished and unfinished wood
- Helps to prevent drying, fading, and deterioration of all wood finishes
- Polishes all wood surfaces to a beautiful, soft luster and protects with a coating of beeswax and carnauba wax
- For use on antiques, dining tables, kitchen cabinets, wood doors, trim, etc.
- The perfect follow-up to Restor-A-Finish for maintaining the newly restored finish
- Not intended for use on food-prep surfaces

Perfect for dry and faded wood finishes on cabinets, furniture, and more!

Over time, wood furniture, cabinets, and especially antiques, tend to "dry out" and fade. Feed-N-Wax helps introduce conditioning oils that "feed" the wood, while leaving behind a protective coating of beeswax and Brazilian carnauba wax to polish and shine. Feed-N-Wax may be used whenever the wood or wood finish looks faded or dry.

HOWARD Orange Oil & Lemon Oil

Wood Polishes

Use Howard Orange Oil and Lemon Oil on all wood surfaces, including: kitchen cabinets, tables, chairs, desks, paneling, even antiques. These oils will help keep your wood from drying out while restoring the depth of grain and natural beauty to the wood. They are both easy to use and excellent for polishing, conditioning, and nourishing all wood surfaces.

- Replenishes natural oils in unfinished and finished woods
- Dust, clean, and polish all wood and wood finishes with real citrus oils
- Leaves a nice shine and a fresh citrus scent
- Safe to use on teak and other oiled woods
- Easily removes surface dirt and dust without drying or harming the wood
- Does not contain silicone oil or linseed oil

HOWARD Cutting Board Butcher Block Products

Cutting Board Oil

- Cutting Board Oil is a deep penetrating 100% Pure USP Food Grade Mineral Oil that is tasteless, odorless, colorless, and will never go rancid
- Cutting Board Oil rejuvenates dry wood, including cutting boards, butcher blocks, countertops, wooden bowls and utensils
- Cutting Board Oil is perfect for the initial "oiling" or "seasoning" of cutting boards and butcher blocks
- Made in USA with strict quality controls
- *Exceeds the requirement set forth in the U.S. FDA regulations for direct and indirect food contact
- No contact with nuts, gluten or other potentially allergenic materials

Butcher Block Conditioner

- Ideal for conditioning and maintaining all wooden butcher blocks, cutting boards, wooden bowls, and utensils
- Butcher Block Conditioner is a revitalizing blend of genuine beeswax, Brazilian Carnauba wax (hardest natural wax available), and pure USP Food Grade Mineral Oil that is tasteless, odorless, and will never go rancid
- The penetrating quality of food-grade mineral oil along with the water-resistant traits of beeswax and carnauba wax helps to rejuvenate the wood, prevent drying, and even repair knife marks in the wood
- Regular use of the Conditioner helps season and protect the wood by keeping the mineral oil in and the moisture out
- The mineral oil used in Butcher Block Conditioner exceeds U.S. FDA regulations for direct and indirect contact with food
- Can be used on butcher block countertops to achieve a natural-looking satin wax finish

Cutting Board Cleaner

- Specially designed to clean wood cutting boards
- No harsh chemicals that can weaken wood fibers
- Helps to maintain your wooden kitchen items and keeps them looking great for years
- Cleans and neutralizes odors on well-used cutting surfaces and wooden utensils
- Perfect for cleaning and preparing wood surfaces before applying Howard Cutting Board Oil or Butcher Block Conditioner
- Safe to use on any wood surface that may come into contact with food
- Freshens and cleans wood surfaces with real coconut soap and lemon oil

Wax-It-All

Food-Grade Wax

Howard Wax-It-All is a food-grade paste wax that is safe for any surface where food contact may occur. This thick, smooth blend of beeswax, carnauba wax, and food-grade mineral oil helps to revive, seal and protect surfaces in and around your home. Use Wax-It-All on butcher block, concrete, stainless steel, granite, marble, soapstone, slate, and laminate countertop surfaces; metal, plastic furniture, and painted cabinets.

- *Enhances beauty and protects surfaces to make them look better and last longer*
- *Easy to Use - Simply rub the wax on, let it absorb and buff off any excess*
- *Safe for indoor and outdoor countertop surfaces*
- *Helps delay tarnishing and oxidation of bronze, copper, brass, and even wrought iron*
- *Gives finishes a soft sheen and a smooth feel*
- *Lock in the oils and waxes after using Howard's other food-grade products*
- *Great for woodworkers who need a hard, carnauba wax finish*
- *Made in the USA with food-grade ingredients under strict quality controls*

Restor-A-Shine™

Wood Finish Polishing Compound

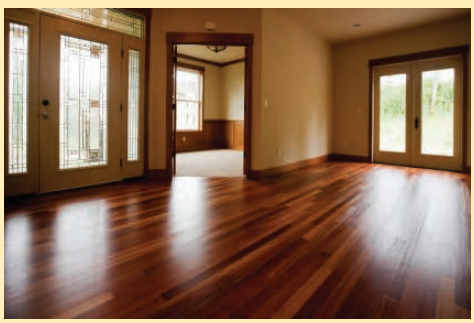

Restor-A-Shine Polishing Compound is specially formulated for restoring the high gloss shine to wood finishes. Restor-A-Shine contains extremely fine micro polishing powders, blended together with select waxes and oils, producing a very unique wood finish polishing compound.

-Product Features-

- Specially formulated for wood finishes, including floors
- Will not lift veneer or soften a hard finish
- Creamy formula that can be used with an electric buffer
- Does not contain silicone or linseed oil

-Product Uses-

- Safely polish out fine scratches, oxidation, and haze
- Revive dull areas and eliminate steel wool marks and other surface blemishes
- Complete the restoration of a high shine wood finish after using Restor-A-Finish
- Use for final buffing stage to a newly applied high gloss finish

SunShield™

Wood Conditioner & Protectant

Howard SunShield is specially designed to keep teak and other tropical hardwood furniture from cracking, drying, and oxidizing due to exposure to sun, temperature variations, or moisture. SunShield combines UV inhibitors along with a unique blend of carnauba wax, beeswax, and orange oil to enhance the natural beauty and depth of grain in outdoor wood furniture. This distinctively-blended product effectively penetrates and replenishes natural oils. SunShield should be used regularly, or whenever outdoor furniture looks faded or dry. SunShield is the ideal addition for any retailer selling outdoor furniture, furniture supplies, or maintenance products.

Item #SWAX16

- Prevents further drying and fading of wood finishes due to sun exposure, temperature variations, and moisture both indoors and outdoors
- Unique formula combines UV inhibitors with a blend of carnauba wax, beeswax, and orange oil
- Conditions and protects any wood surface, especially teak and other tropical hardwoods
- Replenishes finished or unfinished dry wood surfaces on chairs, tables, benches, chests, desks, lounge chairs, etc.
- Enhances the natural beauty and depth of grain as it protects your wood furniture

HOWARD

Wood-N-Floors™

Hardwood Floor Cleaner

Residue-Free • Streak-Free • Dries Fast

Howard Wood-N-Floors cleans hardwood floors, laminate, luxury vinyl planks (LVP), and engineered floors. It quickly removes dirt and grime from hardwood floors without leaving any sticky residue or streaks. This ready-to-use mixture of water-based, plant-derived surfactants will gently clean your hardwood floor. Howard Wood-N-Floors cleans to reveal the natural shine on hardwood flooring, cabinets, furniture, and more!

Luxury Vinyl Planks • Hardwood Floors
Engineered Floors • Laminate Floors
